

Clinical trials of hydrochlorothiazide

TrialResults-center www.trialresultscenter.org

1 hypertension

Trial	Treatments	Patients	Trials design and methods
hydrochlorothiazide vs placebo			
EWPHE (subgroup) , 1985 n=70/85 follow-up: 31y	hydrochlorothiazide + triamterene versus placebo	patients over the age of 60	double-blind
hydrochlorothiazide + amiloride vs placebo			
MRC old , 1992 n=1081/2213 follow-up:	-	hypertensive patients aged 64-75	
hydrochlorothiazide + triamterene vs placebo			
Kuramoto , 1981 n=44/47 follow-up: 4.0y	hydrochlorothiazide + triamterene versus placebo	patients over the age of 60 with sitting diastolic blood pressure on placebo treatment in the range 90-119 mm Hg and a systolic pressure in the range 160-239 mm Hg	double blind
EWPHE , 1985 n=416/424 follow-up: 4.3 y	hydrochlorothiazide + triamterene , hydrochlorothiazide + triamterene versus placebo	patients over the age of 60 with sitting diastolic blood pressure on placebo treatment in the range 90-119 mm Hg and a systolic pressure in the range 160-239 mm Hg	Double blind

More details and results :

- anti hypertensive agents for hypertension in all type of patient at <http://www.trialresultscenter.org/go-Q13>
- anti hypertensive agents for hypertension in very elderly (80 and more) at <http://www.trialresultscenter.org/go-Q14>
- anti hypertensive agents for hypertension in uncomplicated hypertension at <http://www.trialresultscenter.org/go-Q685>

2 heart failure

Trial	Treatments	Patients	Trials design and methods
hydrochlorothiazide vs benazepril			
Nordrehaug , 1992 n=29/29 follow-up: 8 weeks	hydrochlorothiazide 50 mg daily versus benazepril 20 mg daily	patients with symptomatic (NYHA functional class 2) mild heart failure	Cross over double blind
hydrochlorothiazide+triamterene vs digoxin			
Sievert , 1989 n=16/16 follow-up: 5 weeks	hydrochlorothiazide+triamterene versus digoxin	patients in heart failure and sinus rhythm	Cross over double blind

More details and results :

- diuretics for heart failure in all type of patients at <http://www.trialresultscenter.org/go-Q75>
